## Terms and conditions

<sup>^</sup> With Courier Post, delivery is same business day only within metro areas of the same state within the Courier Post network and when your parcel is lodged at a Post Office or arranged online via Click and Send before 2pm local time. <sup>^^</sup>With Express Post, next business day delivery is available within the Express Post guaranteed delivery network only. Visit [auspost.com.au/parcels-mail/delivery-areas](https://auspost.com.au/parcels-mail/delivery-areas) for more details. <sup>#</sup> Our standard parcel service delivers in 2 or more business days. For more information on delivery times to your area, view the Parcel Post network ([auspost.com.au/parcels-mail/delivery-areas.html](https://auspost.com.au/parcels-mail/delivery-areas.html)). <sup>†</sup> Additional charges apply for pick-up services. Not available in all localities. Click and Send will provide the option of pick-up if it is available from your sender address. The pick-up service is not a courier service but provides parcel pick-up from the sender address you've entered and lodgement into the Australia Post delivery network. Subsequent parcel delivery will then occur based on the postage services you have purchased for individual parcels. If you need a same day delivery service, please use Courier Post ~Assessed postage rates include a basic charge that depends on whether the parcel is for delivery within the same state or interstate plus a distance charge per kg on the lodgement and destination zones. Cubing charges may apply. <sup>###</sup>We guarantee Express Post Saturday Delivery if you post your item on a Friday, to and within our Saturday Delivery network and meet the Express Post Saturday Delivery service conditions. For more information visit [auspost.com.au/saturdaydelivery](https://auspost.com.au/saturdaydelivery)
